This is to certify that Flood Medics Restoration has successfully completed the restoration contract between themselves and Phyllis on this 10th day of November, 2013 to my entire satisfaction.

Our goal at Flood Medics Restoration is to provide unexcelled mitigation and restoration services to our customers. If we have completed the job for which you hired us, to your satisfaction, please sign and date below. Your feedback on the work we performed, as well as your feedback on our employees is very important to us. Therefore, we encourage you to share your comments or suggestions below.
Thank you for choosing Flood Medics Restoration.

Comments: The teams was very efficient and polite.
I would recommend them to someone else good
jobs, hats goes off to all of them.

All work is warranted for one full year commencing upon date of job completion and contingent upon full and final payment for services rendered.
